The Internationale

A black and white historical photograph showing Soviet soldiers in winter uniforms and fur hats. One soldier in the center holds a submachine gun. They are surrounded by prisoners of the Auschwitz concentration camp, who are wearing the iconic striped prisoner uniforms. The scene is set outdoors in front of a wooden building with windows. The image is framed by two red banners with white text.

Fascism – What is it?

Fascism – What is it?

Per Georgi Dimitrov:

Fascism is:

- *Fascism is a most ferocious attack by capital on the mass of the working people;*
- *Fascism is unbridled chauvinism and predatory war;*
- *Fascism is rabid reaction and counter-revolution;*
- *Fascism is the most vicious enemy of the working class and of all working people.*

Fascism – What is it?

- What did it do and what did it set up?
- Who were the victims of fascism?
- Why does fascism promote genocide?

Connections to the Present

Connections to the Present and Fascist Calls for Genocide.

- Why did the Fascists want to invade the Soviet Union?
- Why is the struggle of the Red Army important to human history?
- Why does the Washington Holocaust Museum doesn't want to acknowledge that the Russians were victims of genocide?
- What is going on in other places of the world like Croatia, Ukraine, Israel, etc., and why is the United States being the promoter of all this?

CLASSES HELD ON ZOOM, ALL ARE WELCOME

What is the Peoples School?

The *Peoples School for Marxist Leninist Studies* is part of a long-line of American Communist Party sponsored schools, such as the *Jefferson School of Social Science* and the *People's School of Marxist Studies*.

The PSMLS was initiated by and is sponsored by the *Party of Communists USA*, **but it is not a party school**, which allows a wide variety of perspectives that don't necessarily reflect the party line.

We hold classes online every week on Tues at 8 PM EST - 9:30 PM EST and Thurs at 9 PM EST - 10:30 PM EST. These are public classes on Zoom that are organized into sections of presentations, and discussion periods. Join our classes and participate in collective education!

Legal Drive

Last year we were attacked and sabotaged by ultraleft wreckers that tried to **steal the PSMLS** and **destroy the PCUSA. They failed**, but they **will be held accountable** and there are still things they took from us that we've not got back, like videos, imagery, audio etc. That is why we still need donations to the legal drive.

If you support the school and want to see us continue to improve and keep delivering this education 51 weeks a year, please pitch in whatever you can and support the GoFundMe for the legal drive at <https://www.gofundme.com/f/legal-fund-to-defend-against-wreckers>. Anything helps!
